

# Master Halco announces the 5% Contractor Growth Rebate Program

Fence contractors can earn a **5% rebate**  
on purchases between April 1, 2008 and June 30, 2008.

The program is simple:

- 1.** Establish your base goal.  
Your base goal is your 2007 April – June net purchases.
- 2.** Meet your base goal.  
You must achieve your base goal between April 1, 2008 and June 30, 2008 to qualify for the rebate.
- 3.** Earn a 5% rebate on all net purchases above your base goal.

That's it!

Contact your local Master Halco Branch today for your base number and for program details. Call 888-MH-FENCE for the location of your local branch.

## Don't miss out on this opportunity!

Only fence contractors are eligible for this rebate program. Contractors must be current on their Master Halco account at the time rebates are calculated in order to receive their rebate in the form of a check. If a qualifying contractor is not current at the time rebates are calculated, any earned rebate will be applied to any open receivables, with any remainder paid out in the form of a check. The receipt of a rebate in the form of a check may result in a 1099 tax form being issued to the participating contractor for 2008. Rebates will be paid by August 15, 2008.
